

World War II. Ships were needed. Therefore, men were needed—men who knew too much about building ships to be sent to fight the enemy on the open seas, and who knew too much about building ships to waste time fighting each other. Only teamwork could get the job. Teamwork—not only among men at home building ships, but teamwork between those at home and those in the line of fire on the open seas. Victory was won by men willing to give the gift needed most—the gift only they could give.

# A MAN'S GIFT THIS FATHER'S DAY

God's Word says, "A man's gift maketh room for him" (Proverbs 18:16). This Father's Day, team up with godly men everywhere in a voluntary offering to support the Men's Ministry of the United Pentecostal Church Int'l. We connect Apostolic Men by highlighting Men's Conferences, Pastor's Prayer Teams, Missions Trips, and Church Building Projects. We publish the quarterly A.M. magazine, host the A.M. Forum on our free website, offer a Prayer Journal for men, and soon we'll release an evangelistic Bible Study by and for men. Support this broad ministry to men. This Father's Day, give your gift.

# FATHER'S DAY, JUNE 19

Mike Williams, Pres. • Jerry Dean, Vice Pres. • Tim Mccary, Sec. & Editor

*Apostolic Man • UPCI Men's Ministry is committed to:*

- Mobilizing the manpower of the United Pentecostal Church, International
- Linking the many and myriad ministries to men across our fellowship
- Communicating an attainable agenda for men's ministries everywhere
- Developing and disseminating resources that will edify and equip believing men
