

Apostolic Man

A Men's Ministry of the United Pentecostal Church International

Starting a Ministry to Men: Seven *Easy* Steps

- 1** In the context of the challenges facing our society both within and without the church, **communicate the need** for a meaningful ministry to men.
- 2** Under the direction of the Pastor or designated lay leader, **establish opportunities** for men's only gatherings.
- 3** **Plan presentations** aimed at addressing issues relevant to men living Christian lives:
 - **STEWARDSHIP** of time, talent, and treasure
 - **COMMITMENT** to God, family, and church
 - **MAINTAINING MORAL PURITY** in an immoral world
 - **MAN TO MAN EVANGELISM** witnessing in workplace
 - **FINDING YOUR PLACE** in local church ministry
 - **PRAYER** for family, pastor, kingdom
 - **SPIRITUAL LEADERSHIP** God's plan for man
- 4** Provide the framework within which men can **develop accountability** among brethren.
- 5** Offer opportunities for fellowship and interaction between men **outside** of the **normal church environment**.
- 6** Through personal testimonies, involve laymen in motivating and mobilizing others to **find and fulfill their place** in the mission and ministry of the local church.
- 7** Teach men **how to pray**—and teach men **to pray**.
“I will therefore that men pray every where, lifting up holy hands, without wrath and doubting” (1 Timothy 2:8).
“...Men ought always to pray, and not to faint” (Luke 18:1b).

United Pentecostal Church
International*

Why Men's Ministry?

Because the threat to godliness is so great—and the opportunity before us so immeasurable—ministry to men is an idea whose time has come.

-  It will afford your church the chance to equip and enlist men to display Christ-centered perspectives in their homes, churches, and communities.
-  It will enable you to under-gird godly men in their quest to find and fulfill their calling in Christ.
-  It will create a meaningful forum in which you can motivate & mobilize the Apostolic men around you.
-  It will facilitate the pastor's unending effort to build better men—and thereby grow greater churches.

***A vibrant ministry to men will
not be an additional burden,
but, rather, an invaluable aid.***
